23rd January 2014

Dear Madam,

Tiverton Eastern Urban Extension - Second Consultation.

Reference the above, I wish to state that you are destroying a lovely place to live and I object to the whole development, but in particular to the following:-

TRAFFIC - The extra traffic generated by any development is cause for concern to everyone. People who use Blundells Road, WILL NOT use a road that takes them out of the way as suggested on the plans [and as I understand will only be built after so many houses are erected] They will use Wilcombe which certainly cannot take any more traffic. Have any of you driven that way lately and seen the number of cars parked in the road? If you meet another vehicle it is difficult to find a place to pull in. Canal Hill will be the other alternative and there would be a lot of hold ups at the end with people wishing to turn right.

I would strongly urge you to decline planning permission.

Yours faithfully,

Principal Forward Planning Officer,

Mid Devon District Council,

Phoenix House,

Phoenix Lane,

Tiverton, Devon

Dear Madam,

Tiverton Eastern Urban Extension – Second Consultation

Reference the above, I wish to state that you are destroying a lovely place to live and I object to the whole development, but in particular to the following:-

Have you given a thought to the people living in Glebelands Road? NO, or you wouldn't be thinking of putting a sports Centre at the bottom field. The road is very narrow and just couldn't take the extra traffic. People from all over the area like walking down the old railway line towards Manley and then coming back along the Canal. This would definitely put pay to that.

Mid Devon is very well catered for regarding sports facilities. Mid Devon Council have a Sports Centre in Tiverton, Cullompton and Crediton, PLUS privately Padbrook Park, Cullompton. Uffculme School's Sports' Centre is open to the public evenings and weekends. Don't you think that is enough?

I would strongly urge you to decline planning permission.

Yours faithfully,

'Tolgallow'.

Dear Madam,

Tiverton Eastern Urban Extension – Second Consultation

Dear Madam

Reference the above, I wish to state that you are destroying a lovely place to live and I object to the whole development, but in particular to the following:-

The Canal. I understand that there will be a 'buffer zone' to protect the Canal from these developments. It will take years for trees, hedges, etc to grow up to exclude any sight of any building. The Canal is a great tourist attraction and after what has happened to it at Halberton, movement of land could possibly weaken the banks elsewhere.

I would strongly urge you to decline planning permission.

Yours faithfully,
