Tiverton Eastern Urban Extension - Second Consultation

The Post Hill area to the east of Tiverton was allocated in 2010 for mixed residential and employment development. Initial consultation took place in May 2013 and a draft Masterplan has now been prepared for further consultation.

In order to take part in the consultation, please ensure you read the draft Masterplan or its summary brochure, available at www.middevon.gov.uk/masterplanning, and submit your response by 1 February 2014. Thank you for your time.

Employment development will be in the northwest of the site, north of Blundell's Road. The rest of the site (excluding large areas of open space) will be developed for housing, with a new primary school and neighbourhood centre located in the centre of the site adjoining Blundell's Road.

Do you believe these uses are being proposed in the right places?

Yes

No

Any other comments about the distribution of development?

NEEDS TO BE CLOSE TO NEW JUNCTION OF A361

The draft masterplan proposes around 1500 new homes, which is slightly below the adopted policy target. Housing density will vary across the site. Section 5.1 of the draft masterplan describes the different character areas across the site and the existing and proposed density of development.

Do you agree with the design approach set out?

Yes

No

ARE THERE SUFFICIENT LOW COST PROPERTIES

Tiverton Eastern Urban Extension - Second Consultation

The Council must ensure that infrastructure is provided in a timely fashion alongside the development, without making the development unviable. Pages 96-97 of the draft masterplan set out the trigger points for when infrastructure is expected to be delivered.

Do you agree with the trigger points suggested in the draft masterplan for the following key areas?

- Access and transport
- Education
- Community infrastructure
- Open space, recreation, play and green infrastructure

Any other comments about infrastructure delivery?
