Dear Planning Office

Ref: Tiverton Eastern Urban Extension

With reference to the above mentioned proposal I am writing to register my disapproval of this plan.

Firstly, we should not be building 1500 houses. It's far too many. The location, leading onto Blundell's Road will cause havoc with the traffic flow as happened the other night when there was an accident.

I feel that this is a big mistake for Tiverton, we have nothing here for them to do. This will surely lead to trouble occurring.

My biggest concern is your proposal to site a sports field at the end of Glebelands Road - directly behind Westcott Road. Are you aware that most are of retirement age with many residents into late 70's / 80's with very few children or young people. We have no need for a Sports Area.

Tidcome Lane is narrow and cannot accommodate extra traffic and neither can Glebelands. The local Bus has enormous difficulties some days getting through. If you have to build these houses may I suggest you put the Sports area to them.

Yours faithfully
