Tiverton

Devon EX16 7AZ

Dear Sirs,

Re: Eastern Urban Extension.

I am writing to strongly oppose the above application.

The roads in this area are totally unsuitable for a large increase in traffic which will come from these houses.

There is no employment in Tiverton for the people that are unemployed at this time. We only seem able to open charity shops who take no paid workers, only volunteers, which you aren't allowed to do if

you are unemployed or you wouldn't be available for work, so this means that people will have to commute to other areas, hence heavy traffic on the roads!

The hospital is not staffed sufficiently for a large increase in population. Our allotted time with our doctor is 7 minutes (it was 10) but has been reduced. You are even asked to wear loose fitting clothing if you think you will need an examination.

The schools are full to capacity and unfortunately a lot of the college courses provided by Petroc have been located to Barnstaple and also Hoxton - more traffic for students having to commute.

Also this is going to cause

problems for the golf course in as much as it is a virtual one track lane through to Uplowman & the proximity of the houses on the golf course will cause problems such as one now occurring with Ender Golf course now the houses have been built up to the perimeter fence, so this will occur in Port Hill.

The plans that we saw both in Torrington and in Holborton Village Hall were a patch, having green areas, houses, an industrial development, or for wildlife and play areas.

To put a new addition to the link road is ridiculous, when only a short distance away is one from Lower Moor industrial estate, and as I worked in an office

that faced onto the link road, and
raising the speed of vehicles
travelling on it, another road link
so near would be accidents waiting
to happen.

This application and any
subsequent applications for houses
etc, should be turned down.

What Twerton needs is
employment and not houses.

Please turn down this
application.

Yours faithfully
Mrs. Pauline Wilson
Mr Frank Wilson
