

ECO (Efficient and Cleaner Operations) Stars Fleet Recognition Scheme - Membership Application Form

Introduction

This form is to be completed by all organisations seeking membership of the ECO (Efficient and Cleaner Operations) Stars Fleet Recognition Scheme.

Before completing the form, applicants are advised to read the accompanying 'Guidance Notes for Applicants' document, which explains the background to the Scheme and the criteria for each of the Star ratings for both vehicles and whole operations.

Please answer all questions as fully as possible, providing detailed information about your vehicle fleet and other key aspects of your operation, to allow accurate star ratings to be awarded at both vehicle and whole operation levels.

If you have any queries on how to complete the application form and are seeking guidance, then please call 01543 416 416 and quote 'ECO Stars' or email your query to ecostars@ttr-ltd.com

Please submit your completed form and fleet profile, along with any relevant supporting documentation, either in hard copy or electronically, to the addresses provided at the end of the form.

ECO Stars is a recognition Scheme built firmly on the principle of trust. It rewards commitment to improving operational efficiency, reducing fuel consumption and reducing environmental impact – all helping to improve local air quality, maximise carbon savings and tackle climate change. As the Scheme is built on trust, it is essential that all applicants answer each section within this form as accurately and completely as possible.

If there is insufficient space within the form for you to provide the detailed answer you would like, then please enclose additional sheets, marked with your company name, to support your application. Please also feel free to submit any other supporting information you feel may be relevant for our assessors to review when considering your vehicle and whole operation recognition levels.

Membership Application Form (please write in block capitals)

1) Company details

Company name:	Job Title:
Address:	Direct Telephone Number:
Telephone:	Mobile Number:
Fax:	Email address:
Website:	Nature of Business:
Contact name:	

2) Type of Fleet Operation (if applicable)

- Own account road freight Hire and reward road freight Light goods vehicle operator only (below 3.5Tes)
- Road passenger transport operator (Bus, including minibus)
- Road passenger transport operator (Coach)
- Road passenger transport operator (Bus and Coach)

Note for Applicants: Operators should provide specific details for vehicles based within Mid Devon and for those vehicles based outside of Mid Devon, which spend a significant proportion of time (to be determined by the operator) operating within Mid Devon.

Total number of vehicles in fleet:	Number of minibuses in fleet:
Number of light goods vehicles in fleet (less than 3.5Tes Maximum Permissible Weight):	Number of buses in fleet:
Number of heavy goods vehicles in fleet (greater than 3.5Tes MPW):	Number of coaches in fleet:

3) Please fill out the 'Individual Vehicle Application Form (A)' enclosed for each of your vehicles.

4) Do you have a Fuel Management Programme in place within your operation, including measures to manage fuel consumption throughout the operation, from fuel selection and purchase, through storage, issue and in-vehicle use? (please tick)

Yes No

If yes, please describe:

Note for Applicants: These fuel management programme measures could include having a 'fuel champion' appointed, monitoring fleet and individual vehicle level fuel consumption, annual litres of fuel consumed and annual fuel spend, as well as implementing mechanisms to raise awareness of the importance of fuel as a precious resource within the operation.

5) Do you have a driver skills development and performance management programme in place, to maximise fuel efficiency and reduce environmental impact? (please tick)

Yes No

If yes, please describe:

Note for Applicants: These skills development and performance management measures could include training in safe and fuel efficient driving techniques (Eco-driving), driver fuel incentive schemes, driver performance league tables, monitoring of individual driver mpg.

6) Do you have a robust vehicle specification process in place and a sound preventative maintenance system to ensure vehicle efficiency? (please tick)

Yes No

If yes, please describe:

Note for Applicants: Robust vehicle specification processes would include ensuring that the most appropriate vehicle is specified for the planned task – making sure each vehicle is ‘fit for purpose’ and that vehicle ‘whole life costings’ have been taken into account to look at the future projected operating costs, in addition to the original purchase or lease price. Sound preventative maintenance systems include measures such as regular servicing, tyre inspections and periodic wheel alignment, to help to ensure vehicle operational efficiency.

7) Do you use operational support systems to maximise the efficiency of your fleet? (please tick)

Yes No

If yes, please describe:

Note for Applicants: Operational support systems could include the use of IT to maximise vehicle and driver efficiency and minimise fuel consumption, such as routing and scheduling software or other telematics systems, including driver and vehicle performance monitoring equipment to identify over-revving, harsh braking, harsh acceleration and excessive idling time.

Company Declaration

I declare that the information provided within this application form (and in any supporting documents) is complete and accurate, to the best of my knowledge. On being accepted as a member of the Scheme, I agree to abide by its terms and conditions, as specified in the 'Guidance Notes for Applicants' document.

Signature: _____

Position: _____

Note for Applicants: If completing and returning this application form electronically, please also ensure that an electronic signature is provided in the space above.

Disclaimer

The ECO Stars Fleet Recognition Scheme is a free, voluntary scheme operated by Mid Devon District Council. The decision to participate in ECO Stars and any investment or expenditure that you may incur in connection with the Scheme, is undertaken entirely at your own risk and Mid Devon District Council and its operating parties will have no liability to you in respect thereof.

Any information, whether verbal or written, provided to you in connection with ECO Stars is for guidance purposes only and does not constitute formal legal or professional advice. Mid Devon District Council and its operating parties exclude to the fullest extent lawfully permitted all liability whatsoever for any loss or damage howsoever caused arising out of or in connection with the use of and/or reliance on any information given to you.
