Dear Madam / Sir,

Local Plan Review – Scoping Consultation.

Thank you for your letter dated 4th July 2013 enclosing the Local Plan Scoping Report.

Kennerleigh Parish Meeting is held only twice each year and our next meeting will be in October which is after the date for submission of consultation responses.

I am therefore making a response based upon discussions at a previous meeting which was attended by Brenda Hull during which it was evident that everyone present wanted to keep Kennerleigh exactly as it is within a general principle of conservation and maintenance of the status quo with ongoing support for parish facilities such as the Post Office / Shop and the adjacent Parish Hall. Improved speed of Broadband is also a vital requirement for local businesses.

Our Village Character assessment requirements were confirmed in a letter to Lauren Davis dated 3rd July 2012 to seek to ensure the correct information was included in the final Mid Devon document to try to prevent any future, inappropriate development. I have yet to see the final version to see if all is well.

As far as the various options as set out under the headings in the Scoping Report are concerned, I can offer you the following preferences:-

Page	Option	Page	Option
19	1	31	2
22	2	38	1
25	2	42	1
27	1	44	2
30	1		

Please let me know if you need anything more.

Yours faithfully,
