1. Amount and distribution of development - which option do you prefer and are there any alternatives we should consider?

Option 3: A new settlement or significant expansion of an existing village to meet the district's entire development need (except for small sites to meet specific local needs such as affordable housing)

2. Housing - which option do you prefer and are there any alternative options we should consider?

Option 2: Revise policies according to up-to-date and relevant evidence about matters such as housing need, demand and viability.

3. Employment - which option do you prefer and are there any alternative options we should consider?

Option 2: Follow the recommendations of the Employment Land Review, reducing the overall target for employment growth within use classes B1, B2 and B8 whilst encouraging the development of smaller sites.

4. Retail - which option do you prefer and are there any alternative options we should consider?

Option 1: Continue with a similar policy approach to the one previously adopted, which protects and enhances town centres, applying a sequential approach that directs development to the town centre first (in accordance with national policy) and provides for some retail growth in Tiverton in line with the Retail Study's recommendations

5. Infrastructure - which option do you prefer and are there any alternative options we should consider?

Option 1: Urban extensions incorporate specific items of infrastructure such as schools, community facilities and open space, while offsite infrastructure (e.g. a relief road) is funded by all development liable to pay the Community Infrastructure Levy

6. Environment - which option do you prefer and are there any alternative options we should consider?

Option 2: Replace the policy with a broader environmental strategy that sets out the principles underpinning more detailed policies on subjects such as landscape protection, flood prevention and heritage assets.

7. Tiverton - which option do you prefer and are there alternative options we should consider?

Option 2: Identify new locations for long-term strategic growth in Tiverton, other than further expansion to the east

8. Cullompton - which option do you prefer and are there any alternative options we should consider?
