Supporting YES

Please state clearly why you are objecting to or supporting the specified parts of the document/s (continue on a separate sheet if necessary)

1. I support the representations already made by the Woodland Trust to the Green Infrastructure Plan and wish my name to be associated with their comments
2. I would like to see an emphasis on support for local food production - that is reducing "food miles".
3. I would like to see support for any initiatives to make cycling safe and attractive as an alternative to driving as I view this as a healthy and green lifestyle choice designed to promote wellbeing.

Would you like to be notified when the

Council adopts the documents?

YES
