Dear Liz

Thank you for your letter dated 28 October and supporting information on the two SPD's. The items were discussed at a meeting of the full Council held on 22 November.

The Council had the following comments to make:

*Meeting Housing Needs*

Noted.

*Green Infrastructure Plan*

Members considered the document long and complicated and as a result agreed to support the document, in general terms, but would appreciate some explanation on the detail and how it would affect Crediton. Perhaps you or Peter Williams could agree to attend a future meeting to provide a more detailed explanation?

If you have any questions or need further information, please contact me again.

Regards

Martin Maggs
