Strategic Objective 1
G1/1 G1/4 and G1/6

Since 2008 Sustainable Crediton Transport Group has been campaigning for safer cycling provision to Exeter and within the town. Several events that we have organised have promoted cycling and raised confidence among cyclists and young scooter riders.

We would like a cycle path from Lords Meadow Leisure Centre along the permissive path to Westacott Cottages and have spoken to the landowner Dr Jack Shelley who is relatively receptive.

This policy offers hope as a cycle pathway will :-

Be an incentive to novice cyclists starting at the Leisure Centre

Be part of a safer route for sustainable travel to Exeter;

Promote health and wellbeing

Open up Crediton to Green tourism and End to Enders
