Dear Sirs

We agree with most of your aims. Housing is a real problem. However, as Ramblers we put much credence on having footpaths for social, healthy exercise. In much of Mid Devon RoW's are few and far between. Those that are in place MUST be kept in their original positions. Ideally, we should like some more created, both as Footpaths, Bridleways or cycle ways.

The new incumbents of the houses will really appreciate being able to walk in the country.. It will help them relaxed into their new properties.

Eileen Linfoot,  
Walking Environment Officer,  
Ramblers Association, Devon Area.

The Ramblers Association is a registered charity (England & Wales no. 1093577 Scotland no. SC039799) and a company limited by guarantee, registered in England & Wales (no. 4458492). Registered office: 2<sup>nd</sup> Floor, Camelford House, 87-90 Albert Embankment, London SE1 7TW
