Subject: Mid Devon Draft Green Infrastructure Plan

Thank you for the opportunity to examine your Draft Mid Devon Green Infrastructure Plan.

We support your proposed policies (GI/1 - Delivery of Green Infrastructure; GI/3 - Biodiversity; and GI/6 - Integrating GI in Major Development). We are pleased to see that you have recognised the need for habitat restoration, creation and connectivity in Mid Devon and note that you intend to identify opportunities for such work in conjunction with partners. Subject to our available resources, we would be pleased to assist you in such work.

Best regards
