Meeting Housing Needs and Green Infrastructure Plan

Thank you for your postcard received 1 November consulting The Theatres Trust on two supplementary planning documents as above.

Please email or send a letter for future consultations as postcards have a tendency to get lost!

The Theatres Trust is The National Advisory Public Body for Theatres. The Theatres Trust Act 1976 states that '*The Theatres Trust exists to promote the better protection of theatres.* It currently delivers statutory planning advice on theatre buildings and theatre use through the Town & Country Planning (General Development Procedure) (England) Order 2010 (DMPO), Articles 16 & 17, Schedule 5, para. (w) that requires the Trust to be consulted by local authorities on planning applications which include '*development involving any land on which there is a theatre.*'

Due to the specific nature of the Trust's remit we are concerned with the protection and promotion of theatres and as these consultations are not directly relevant to the Trust's work, we have no comment to make but look forward to being consulted on further planning policy documents in due course.
