Dear Sir,

Tiverton Urban Extension

Having visited the Public Exhibition and consulted the papers given to me, I am appalled at what I see is the ruin of our lovely Town and countryside surrounding it.

I have driven around Tiverton and there are so many houses for sale or let that it seems we have far too many at the moment and for the foreseeable future.

Having thought about all the implications, extra traffic, sewage, medical care and schooling, I am, therefore, registering my protest at the scheme as a whole.

We do not need it.

Yours faithfully,

M. Spicer [Mrs]
