Dear Sirs

TIVERTON URBAN EXTENSION

Our comments are to reiterate the following two points

1. Serious consideration to be taken of keeping commercial vehicle traffic out of the area and this includes all of Blundells Road and this leads onto
2. Any commercial/industrial ventures are not placed in the middle of an urban area

Yours faithfully

CJ & BV Mumford

PS. We are sorry that we shall not be able to attend either of the public exhibitions but we shall be away
