I/we the undersigned agree that for the period that we will work in any cemetery controlled by Mid Devon District Council, the following conditions apply:

1. I/we will maintain Public Liability Insurance to a value not less than £5,000,000
2. I/we confirm that we have not been barred from working in any other cemetery in the last two years and agree to notify MDDC immediately should this occur in future
3. I/we confirm that all works will conform to all Statutory requirements, Cemetery Regulations and to the requirements of the NAMM Code of Working Practice(March 2000 edition or later). All monuments must be fixed both at initial installation and at any subsequent reinstallation witha NAMM approved ground anchor system. All graves so fixed must be inscribed with an asterisk adjacent to the grave reference number.
4. No monument shall be erected without a permit and no variation from the terms of the permit shall be allowed.
5. All work should be guaranteed for a period of 6 years in respect of workmanship and materials and 30 years in respect of installation fixings
