1	Aug 5, 2015 7:38 AM	This play area is particularly enjoyable for toddlers. The size of the slide and swing are perfect and it is a peaceful & safe place to come. We would miss it terribly if it were to close.	
2	Jul 15, 2015 4:14 PM	Closing play areas is appalling. Play spaces are essential to physical and mental health. This will damage lives, not to mention the longer term financial burden on taxpayers.	
3	Jul 15, 2015 10:27 AM	I disagree in the strongest possible terms to any play provision being closed. This is very very very bad news for families, for public health, for community mental health and for community morale. How would mid-Devon council like to be remembered???? This is not a good legacy, re-think your plans for play provision in mid-Devon very quickly.	
4	Jul 8, 2015 5:35 PM	This park is well used by all children in the village with something for all ages.	
5	Jul 8, 2015 5:34 PM	My daughters use this park most days including weekends. In such a small village such as Copplestone what else is there for children to do if the park was closed. Am amazed it is even being thought about with so many children in the village. Whatever time day or night you walk past the park it is being used!	
6	Jul 3, 2015 3:31 PM	I live in Fernworthy park and my children often play in this play area with a group of friends especially in the summer. A large number of primary school children live on this estate and it is a good place for them to get together. The other play area, at Sunnymead, can only be reached by crossing Bewsley Hill. I am not happy to let my children go that far on their own. Fernworthy play area is a lovely, safe, local area for the children this side of Copplestone to play in. It would be a shame to see it go.	
7	Jun 27, 2015 10:58 AM	Great play area for babies/ toddlers in terms of equipment and enclosed. The main park in copplestone is mainly for older children and with the football pitch often balls flying into the park area not so good for smaller children
