1	Jul 30, 2015 7:24 PM	This play area is used every day by the local children, not just during school holidays but all year round. I use this play area whenever my grandchildren visit and they always ask to go there. It is very convenient. To get to the closest other play area the children would have to cross a very busy road which is a rat run for the traffic. I know of other grandparents who regularly use this area. PLEASE DO NOT CLOSE. Give the children somewhere SAFE to play instead of scrapping it.	
2	Jul 16, 2015 12:50 PM	This is the only play area that caters for under 5's in my area	
3	Jul 8, 2015 9:01 AM	We live in Maple Close, the park is at the bottom of our road, I am comfortable for my 7 year old child to play in this park and feel he is safe as it is so close to home. The next nearest park is by the school, I will not and would not allow him over to that park without adult supervision. With your proposal for closing the smaller parks you would have to substantially increase play equipment to meet the needs of all Willand children, just imagine the chaos there when all Willand children descend on the one park ! Our children need these parks to stay open close to home, so we can allow our children to play outside without fear. Keep Our Parks Open !	
4	Jun 28, 2015 9:15 PM	It is used daily by children in the area but could do with better play equipment	
5	Jun 25, 2015 11:10 AM	This is the only play-area near our home which doesn't involve children having to cross one or more busy roads. Other play-areas in Willand are also far enough away from Chestnut Drive as to actually deter residents' children from visiting them because they feel it is too far to go or parents feel it is unsafe because of the roads.

A lot of children play here that are too small to go to play areas further a field. It is important to their development that they have space to play.
