1	Jun 30, 2015 6:25 PM	This is the only park for some distance, it allows my children and their friends in the street to play safely out of the way of traffic and I can still keep an eye on them to make sure they are safe. Closing this play area would mean my children and their friends are not safe and I would be unable to keep an eye on them as well as I can now. There is no play equipment in our park currently so closing down a place where they can play football safely is ridiculous and given the car accidents that have happened in Crediton recently I would rather they were safe and secure than closing it to spend more money on other play areas that are not used as well or as much. A few years ago I spent some considerable time trying to get Mid Devon to improve the facilities which I was told then would not happen, we have got used to the fact that there is no play equipment but surely it does not cost the earth to keep cutting the grass!	
2	Jun 28, 2015 6:23 PM	U took this play area down some years ago and hAve not done any thing to replace it the kids on spinning path gardens have no where safe to play nearby so tend to play in the road or hang round up at the park finding ways to play
