1	Aug 1, 2015 8:00 PM	For those without their own transport, play parks are essential in villages and small towns as a fun place for children to play safely and for free. I pay taxes and don't understand why my child's generation (who already face crippling debts should they wish to enter further education) should be penalised further by this government.	
2	Jul 21, 2015 12:22 PM	All the children use this park on a daily basis come rain or shine!	
3	Jul 12, 2015 6:19 PM	Pathfields park is always filled with children after school and in the holidays some children from pathfields it's self and some from highland park and highland terrace. I think the local council need to take a look for themselves at how busy it can be at these times!	
4	Jul 10, 2015 9:09 AM	I strongly disagree with the closure of this park! I have 5 sons of different ages, Although 2 of them could walk to the other parks in the area. My three youngest would not be able to as they are to young and the other parks are very near the busy road in and out of the village with many buses and HGV using this road all day. My boys use this park every day.	
5	Jul 8, 2015 3:31 PM	I have always grown up using this playground and always loved it. It is constantly used everyday by all the children around us.it is a safe place for them to play and they love it to	
6	Jul 8, 2015 3:06 PM	My children and their friends play in this park everyday after school, even children from highland park come down to play in this park, I don't like the thought of my children going down the hill to the other parks by the main road! My daughter is 9 years old so there is no chance she is playing in another park where teenagers drink and leave there litter everywhere!	
7	Jul 8, 2015 2:52 PM	Alot of local children enjoy this play area. It is surrounded by houses of families whom all enjoy using the park. The nearest one to this is a good walk away on a busy road. I only rarely take my children to the other Park as this is on our doorstep and much safer	
8	Jul 8, 2015 2:34 PM	This park is the only one I let the kids play in as the other ones are to far away and right next to the main road	

9	Jun 24, 2015 11:29 PM	All of my children and all of children from our street use this park. If the park was taken away then the children would have no where to play outside of our home especially the younger children. They would be the ones that missed out the most.
10	Jun 24, 2015 9:10 PM	Safe area for my 4year old grandson to play in. Needs a safer climbing frame,and to go back to how play parks should be,like a roundabout,slide,swings.keep the older children out,they can play down the terrace on the green.
11	Jun 24, 2015 8:31 PM	Make a proper park! Use water slides! Put a foam pit in for motocross bikes Put some flat screen tvs in there;)
12	Jun 24, 2015 5:27 PM	I live in pathfields and my 3 grandson use the park daily and that mean ether myself or my daughter who also lives in pathfields can watch them . It's a shame that older / teenagers children r also allowed to use it and just reck it . Should be an age limit .
13	Jun 24, 2015 4:11 PM	I believe that this play area is very important to mine and every other family in pathfields that have younger children. My children are 6 and 4 and we visit the park everyday when weather allows. It could do with being done up. The only issue with this park is older children messing it up.
14	Jun 24, 2015 1:36 PM	All the kids in this area just this park all the time it's away from the road unlike the rest of the parks in uffculme it needs to stay open
15	Jun 24, 2015 1:16 PM	I live in pathfields and my children use this park all the time. My children are not old enough to use the park at the bottom of the hill. And if I do take my children down there there is always lots of older children there and it,s not suitable for them lto be in there. There is also always beer bottle and rubbish everywhere in the one at the bottom of highland terrace. I think by closing the park it will be a big loss to pathfields and the children ufculme that use this park
16	Jun 24, 2015 11:19 AM	My 11 year old son has used this park on a daily basis and my 2 and 3 year old daughters love it. I also have nieces and nephews who love going in there wen they visit us or our parents. The park needs a little tlc but not to be closed
17	Jun 24, 2015 9:52 AM	This park ls ideal for the younger kids they love this park as does my son this park should definitely stay open the kids love the swings and climbing frame as will my daughter and niece in a year when there big enough. Please don't close this park.
18	Jun 24, 2015 9:48 AM	The park in pathfields should not be closed, it is used by all the children in the area on a daily basis. All the park needs is improving and made more safer for all children to use!
19	Jun 24, 2015 9:46 AM	Children have messed this park up. They do not treat it with respect, it needs to be cleaned up and sorted out. This way the children who use it sensibly get the most out of it.
20	Jun 24, 2015 9:46 AM	My children use this park everyday as do all of the other children who live in pathfields/highland park. It just needs improving!
21	Jun 24, 2015 9:42 AM	This is a very important part of our caldesac, the play park is so frequently used by more than just the resident children, it is a safe place away from any of the main roads and a place where all of the children actually play with each and get on, if you close this park it will be absolutely devastating

Jun 24, 2015 9:36 AM

This is the only play area we have within safe walking distant for our younger children. The closest one other that this is a walk down a busy steep hill, which the children have to cross roads to get too! Our park is used daily! Why take it?!?! Yes it is is disrepair, but that's not the residents fault, the equipment is just old! However the children make full use of it on a daily basis!

9. How many children are in your household:

Answer Options	0	1	2	3+
Under 5	1	17	5	2
6 - 12 Years	1	14	4	3
13 +	1	3	1	1
