1	Jul 23, 2015 8:41 AM	I have no children of my own, but have used this play area when I've had family visiting. My property borders the play area and most evenings during the last 2 weeks there have been children/families using the facility. It's nice to hear the children enjoying themselves in a quiet, safe environment, away from traffic within walking distance of their home. Garden space must be very limited in some of the smaller properties. It's a lovely area with the oak trees and the sound of bird song.	
2	Jul 21, 2015 12:42 PM	This play area needs more equipment, then it would be used on a more regular basis as the equipment is very basic and the site could easily accomadate more up to date play things! If nothing was done and equipment removed this grassy area would just become a dogs toilet!!	
3	Jul 8, 2015 10:00 PM	This park has two baby swings and a small cloning frame, as there are no larger swings this park is fantastic for toddlers and away from large play equipment, my little boy has visited this park ever since he took his first Steps
