1	Jul 15, 2015 11:19 AM	It's perfect for the children who live in the area - I believe there are about 15-20 children who regularly use this park, including my own 2 children. I can see them from the house, so it is a safe place for them to go.	
2	Jul 10, 2015 5:45 PM	If Hawthorn Road closes, it would be nice to have a seating area there because there is a beautiful tree there.	
3	Jul 8, 2015 6:34 PM	Having the park on our doorstep allows us to keep our child safe...from crossing roads etc.	
4	Jul 8, 2015 6:30 PM	All children in this area including my own use the play area daily. My child loves having a daily swing and using the see saw, if she was unable to get this we would have a very sad child.	
5	Jul 8, 2015 5:48 PM	This play area needs upgrading for the number of kids in our block.	
6	Jul 8, 2015 5:17 PM	Why close any parks i love taking my children to the park, it was something i did as a child and at this rate my children's children won't have any parks to play in.	
7	Jul 8, 2015 4:02 PM	I take my granddaughter to the swings on a regular basis - she loves it. Please don't close the play area.	
8	Jul 3, 2015 6:03 PM	It would be a terrible shame for the park to close.there are a lot of young children in Romans way and Hawthorne road that use this park,I wouldn't want my daughter and her friends to have to cross roads to go to another park.It has taken over a year for a section of the park to be reopened to the children after a garage wall crashed into the park,it would be nice if a small amount of maintenance could be done to repair the safety matting around the area that was caged off.Also if the street light was switched off during daylight hours that overlooks the park this would save the council some money.If the park was to close what would be put there instead??would it become a dumping ground for rubbish?The cost of closing this park and changing the use of would probably cost more than keeping it open.	
9	Jul 2, 2015 3:41 PM	This is the safes play area for me and my children to get to	
10	Jul 1, 2015 11:27 PM	There should be no reason to close any of these play areas. They are important spaces that in the big scheme of things cost very little and benefit many. Even if the areas are closed they will still continue to need upkeep and servicing so any saving will be negligible and do not outweigh the positive effect of having somewhere for children to play.	

11	Jul 1, 2015 10:14 PM	This play area should be improved not closed.It is the only play area that I can reach which doesn't require the crossing of a busy road.
12	Jul 1, 2015 10:09 PM	This play area should be improved not closed.It is the closest and only play area that I can reach which doesn't require crossing a busy road
13	Jul 1, 2015 7:47 PM	Personally I strongly disagree with closing down the only park near by where I live. Both of my nieces always enjoy going there and they would be rather sad and disappointed if it close down. PLEASE DON'T CLOSE DOWN THIS AMAZING LITTLE PARK FOR ALL THOSE CHILDREN THAT LIVE HERE. THEY ALWAYS HAVE SO MUCH FUN PLAYING THERE!!
14	Jul 1, 2015 11:59 AM	This play area should be improved not closed. It is the closest and only play area that I can reach which doesn't require the crossing of a busy road.
15	Jul 1, 2015 11:51 AM	This play area is very useful and does not require the crossing of any any roads in order to access it.
16	Jul 1, 2015 11:51 AM	Rubber matting could do with a refresh.
