1	Jul 30, 2015 8:19 PM	This play area is heavily used by the children of Siskin Chase and surrounding roads. It's an ideal and safe site, being as it is at the end of a close, with little in the way of traffic. It's loss would be heavily felt in the local community	
2	Jul 8, 2015 6:05 PM	This is the only play area in the estate which is suitable for toddlers. My child has sustained minor injuries from visits to the near by parks as they are designed for older children.	
3	Jul 8, 2015 11:13 AM	I agree that in some areas, two or 3 could be made into 1 better play park; for instance the smaller park equipmet in Spindlebury and Siskin Chase could be used in other parks if they can be slightly expanded to accommodate redundant equipment. Never forget that the play parks can sometimes be a life-line in the duller autumnal and spring days when you just need to get out of the house.	
4	Jul 2, 2015 7:20 PM	This is better than a lot close by because it has a swing, decent sized slide and climbing frame plus space to run around. I'd be gutted to lose this park. The nearest ones with all these things are tufty park and knightswood which are a lot further away by toddler legs.	
5	Jun 30, 2015 10:09 AM	This play area is used daily by my 4 children any many other children in the area, by closing these parks you are going to force children's parents to take or let children to travel to parks further from there homes, raising real safety concerns and no doubt less child provision play could result in children getting involved in disruptive behaviour within the community.	
6	Jun 25, 2015 6:30 AM	The children from various local streets gather at this small play area to play safely, often minded by one of the parents from the houses round the play area. The small green and play area are an important part of the life of Siskin Chase/Larks Rise	

9. How many children are in your household:

Answer Options	0	1	2	3+
Under 5	0	4	3	0
6 - 12 Years	0	4	1	0
13 +	0	1	1	0
