| 1 | Jul 16, 2015 9:41 PM | My granddaughter calls this Nannies park and love to come and play. There are fewer small children living in here but lots more grandchildren visiting. | |
| 2 | Jul 15, 2015 5:59 PM | we have lived in nightingale lawns for 15 years ,in which time my three children and their friend and relatives have made the most of this play area and equipment,.This park is used daily and thoroughly enjoyed by the residents children and visiting children. It is often used on the way home from school and during non school hours. There is no where else for little children to play safely ,the only other place is the road and that is not really a safe option. It would be a great travesty is the park was to shut down , it has always been well maintained and a safe area. | |
| 3 | Jul 11, 2015 5:57 PM | This type of playground is ideal for toddlers/younger children whereas the larger playgrounds tend to attract the older/larger children. Both age groups need different facilities. | |
| 4 | Jul 2, 2015 8:17 PM | This park is the only one in the area with a swing, decent slide and climbing frame. The other ones are knightswood and tufty park which are a lot further for little legs. We all love this park and spend lots of time here. It also has a nice space for bike riding. We would be extremely upset to lose this park. It has helped my children grow closer to the other children in the neighbourhood which is invaluable and in turn makes us adults chat which has built a better community. | |
| 5 | Jul 2, 2015 8:11 PM | I take my kids to this park regularly as do many of neighbours. Why on earth would the council want to close this park | |
| 6 | Jul 1, 2015 9:22 AM | The park is a place which families and children can play in safely. As we can see the play area from our house, it allows the children to independantly play while they can still be watched over. It is a sense of community having that park. | |
| 7 | Jun 25, 2015 6:29 AM | The swing is rusty and there are two other areas with the same equipment within a couple of minutes' walk | |
