1	Aug 6, 2015 9:42 AM	The play area safety surface is dangerous (slippery) when wet or damp. The facilities are poor unless your children are four years old or under. (One more bungalow could be built on the site). Please consider investing the money saved, towards a community swimming pool and hydrotherapy facility, desperately needed by the elderly and disabled for therapy, and children and adults eager to learn to swim somewhere easily accessible.	
2	Jul 2, 2015 8:13 PM	There aren't many play areas in this area which gran parents can easily walk to with the kids which have two swings. Please don't close this park	
3	Jul 2, 2015 7:46 PM	All of the parks offer something a little bit different and I wouldn't want to lose any of them. This one is the closest one to us with two swings which is great with two kids, especially when friends come, too. My kids also love the wobbly bridge and like to pretend the balance beams are trains. I can see us going there for a few years yet and with all the new housing we need to keep our parks. Larger ones often attract more trouble than the little ones tucked away, as seen in Knightswood where my children can be intimidated by the teenagers hanging around and I've left before because of the alcoholic who sits on the bench. My children have also had problems with other children knocking them over etc. I know these things happen but it's nice to have little parks to go to without all these issues!	
4	Jun 28, 2015 10:46 AM	We use this with our grandchildren, it provides ideal activities for small children, and we would be very sorry to lose this facility.  How would Mid Devon District hope to save money by closure, as the grass would still need to be maintained.? At present the standard of maintenance is excellent.	

9. How many children are in your household:

Answer Options	0	1	2	3+
Under 5	2	1	2	0
6 - 12 Years	1	0	1	0
13 +	1	0	0	0
