Subject: Consultation North West Cullompton Urban Extension

Dear Sir/Madam,

Thank you for consulting ORR on the above North West Cullompton Urban Extension . The Office of Rail and Road has no comment to make on this particular document.

We kindly request that you amend your planning consultation database to exclude the Office of Rail and Road from planning correspondence which does not affect the current or (future)operation of the mainline network in Great Britain. The ORR only needs to be consulted if strategic rail issues arise or if your plans contain modifications to the rail network or to infrastructure which would directly npect on the rail network.

I would also draw your attention to our Duty to Co-operate e-mail address and request that any future correspondence be sent to this address

Kind regards

A Harrison
Planning Executive
