Dear Sir/Madam,

I am writing with regard to the proximity of our property to the North West Cullompton Urban Extension.

Our property borders AL/CU1 at the end of St George's Well Avenue.

We have noticed that whenever plans of the NWCUE are published, the border of our property is incorrectly shown, in it's north western limits.

We have downloaded documents from the Land Registry which show the border of our property in it's north western correctly.

The limits of our property is fenced correctly as per the Land Registry document.

I would therefore be very grateful if someone from Mid Devon District Council Forward Planning might confirm our property borders and therefore revise the plans it's produces and publishes for the North West Cullompton Urban Extension consultation.

Our address is Redlands, St George's Well Avenue, Cullompton EX15 1AR.

We look forward to hearing from you.

Yours faithfully,

Mr Nick and Mrs Diane Miles

Thanks for your email.

I'd have hoped that given the timings for the review that I might have received a phone call or even an email by now.

So can you give me a timescale of when I might anticipate a reply?

Many thanks,

Nick Miles
