4. In order to reduce the time taken to build the road linking Willand Road with Tiverton Road it is proposed to construct it from both ends at the same time and then join these ends together. 5. The proposed masterplan sets out on page 71 trigger points for when infrastructure is expected to be delivered. Do you agree with the trigger points suggested in the draft masterplan for the following key areas?

	Yes/No
Access and transport	No
Education	
Community building	
Employment	
Local centre	
Green infrastructure	
Gypsy and traveller pitches	

Do you have any comments about infrastructure delivery?

There will be many more houses.  
 The Wilford - Tiverton relief road will deal with traffic  
 to & from these destinations  
 BUT  
 there will be far more vehicles wanting access to  
 the A5 @ Cullompton. There needs to be  
 provision for that.  
 A currently poor traffic flow will deteriorate.  
 The officers @ this consultation could not answer  
 this concern. Do ring 01392 882209 if there is a  
 satisfactory response.
