

We Need Your Help!!

We would like to create a **COMMUNITY GARDEN** at the back of this Centre to complement the vegetable and herb garden in our car park. We believe that this could have enormous health benefits for the **WHOLE Community** such as:

- *a social meeting place*
- *where volunteers can learn, use and teach gardening skills*
- *where we can learn about healthy eating and activity*
- *where those with diabetes, cancer or depression can be helped with the aid of our health advisor, Ruth Tucker.*

The GPs have pressed for a small plot of land behind the surgery for many years. We have only until **1st October** to mobilise the voice of our patients and local people to persuade local planners that there is **strong local support** for our proposed community garden. Without your *collective voice*, we will lose this opportunity for ever!! Please help us by sending a letter of Support to:

Master planning Consultation: Forward Planning, Mid Devon District Council, Phoenix House, Tiverton, EX16 6PP

or e-mail planningconsultations@middevon.gov.uk plans can be viewed at:

<https://www.middevonnewscentre.info/masterplan-for-nw-cullompton-urban-extension/>

Further consultation days when you can see the plans and meet the Planners at Cullompton Town Hall :

12th September	9am - 1pm
24th September	10am - 2pm

Dear Sir

I write in support of the proposal to allocate a section of land next to CVICH for use as a Community Health Garden in the current planning.

Please add your own comments:
