**Q3: 3. The Council must ensure that infrastructure is provided in a timely manner alongside the development, without making the development unviable. Of the infrastructure that the development is expected to provide, the masterplan looks to prioritise the delivery of the primary school site and the new road that will link Willand Road with Tiverton Road. Do you agree with the prioritisation of the primary school and the road?**

No

**Q4: 4. In order to reduce the time taken to build the road linking Willand Road with Tiverton Road it is proposed to construct it from both ends at the same time and then join these ends together. This will require the formation of a temporary vehicular access from St George's View which would be closed to traffic when the through road opens.**

	Yes/No
<b>Do you agree with the proposed way of constructing the road from both ends at the same time?</b>	No
<b>Do you agree with the opening of a temporary vehicular access from St George's View?</b>	No
Do you have any comments about the delivery or construction of the road?	St Georges View is not a suitable access as it is too narrow and a residential area.
