Local Planning.

(EX5 43Q)

Dear Sirs

I am writing
as a resident of Silverton
for 50 plus years, & consider
the future planning proposals
too extreme.

Reasonably priced
developments in the village,
as well as various properties
to run on the market, & there
are opportunities to develop
sites within this perimeter
rather than using valuable
agricultural land.

Our school & Medical
Centre are able to cope
with present day numbers,
& we do not have
suitable roads for ribbon
development, as seen at
Broadclyst & Pinhoe.

Neither would
we welcome the large
Super - markets etc. which
are bound to follow
as part of the deal.

Yours Truly,

Phyllis Swain (Mrs)
