Dear Sir,

HARTNOLL FARM DEVELOPMENT.

I should like to register my objection to the proposed housing development on the Hartnoll Farm site as part of the Eastern Urban Extension of Tiverton.

As a resident of Halberton my objections, as always, would be my concern of the potential increase of traffic of all types through our Village which is not capable of absorbing this extra burden on its narrow and built up structure. Not to mention the increasing danger for pedestrians in what is already a risky undertaking in walking through the Village High St. Also the ever encroaching planned advance of housing towards Halberton will eventually link it to the Village and result in Halberton being part of Tiverton and losing its Village

2.

Status and character.

It makes more sense to pursue the other alternatives on offer and get lost expansion at Junction 28 and the Cullompton area, where I understand there is a more "welcoming" attitude to the potential of extra houses etc.

Yours sincerely,
