**Local Plan Review Options Consultation**

I am not at all happy with option one for the following reasons

1. In the past we have been told that this is grade 1 arable land and should be left for that purpose.
2. I think that there should be a barrier between Tiverton's Eastern Extension and Halberton.
3. There's a good chance that Halberton will suffer with increased traffic.
4. Tiverton's proposed Eastern Extension should provide enough extra housing and supporting services.

Therefore I would agree on options 2a & 2b.
