

Local Plan Review: Options Consultation

The Local Plan Review is intended to supersede existing adopted planning policies for Mid Devon, including the Core Strategy (adopted 2007), the Allocations and Infrastructure plan (adopted 2010) and Development Management policies (adopted 2013). Initial consultation on the scope and broad options for planning strategy took place in July/August 2013 and the Council has now produced draft policies and options for consultation.

In order to take part in the consultation, please ensure you read the options document, available at www.middevon.gov.uk/localplanreview, and submit your response by 24 March 2014. Thank you for your time.

Do you agree with the Vision and Spatial Strategy?

- Yes
- No
- Not sure

Is there anything else we should change or include in the Vision and Spatial Strategy?

Draft Policies S1 and S2 set out the Council's approach and priorities for sustainable development.

What is your opinion about these policies?

Do you have any specific comments about these policies?

Local Plan Review: Options Consultation

Policy S3 includes two options for the distribution of development over the plan period (2013-2033). The first option is to continue focusing development in the three main towns according to their current sizes and roles. The second option is to provide for long-term growth (post-2026) in a new community. A separate question deals with the location of a new community, but please indicate your opinion in principle below.

Which option do you prefer and are there alternative options we should consider?

- Option 1 Continue to focus most development in the towns up to 2033
- Option 2 Focus development after 2026 in a new community
- Other

Are there any alternative options we should consider?

Turn Cullompton into a city - link it to Willand. It's not the nicest of towns anyway so you may as well just build a load more houses there and turn it into a city.

If the Council chooses to pursue Option 2 under Policy S3 (the new community option), which location would you prefer and why?

- Option 2(a) - Land at Junction 27 and adjoining Willand
- Option 2(b) - East Cullompton (east of Junction 28)
- Other

Are there other locations we should consider and why?

Policies S4-S6 are strategic housing policies setting out a potential target for annual rates of housing across the district, the proportion to be affordable and adaptable, the amount of public open space to be provided, and the Council's approach to ensuring housing delivery.

Do you support these policies or have suggestions on how they could be improved?

Do you have suggestions for how these policies could be improved?

Economy and infrastructure policies are set out in Policies S7-S9 of the options document. These propose 154,000 square metres of commercial floorspace (including retailing) over the plan period (2013-2033) and set out the Council's approach to town centres and infrastructure delivery.

Local Plan Review: Options Consultation

The Site Allocations section of the Local Plan Review options document includes numerous options for development sites in the towns and villages. These exceed the amount of development likely to be required, but the Council wishes properly to consider all the available sites before making decisions on which are most appropriate.

Please tell us your opinion on specific sites in this chapter of the plan, continuing on a separate sheet if necessary. Providing detailed reasons for any objections will help us evaluate and compare the suitability of different options.

Hemjork used to be a nice friendly village. I feel that the more houses are built, the more it is turning into a yobbish town, and becoming less like a friendly country village that is desirable to live in. Also, I think there should be restrictions on who can live in Devon, for example having ancestry here. Because otherwise, soon there will be nowhere for the children of residents to buy, as all the houses will be taken up by people coming into this county from all sorts of places, and relatives will be forced out, and ancestry lines will be killed; family businesses will be made bankrupt because their children will be sent away to find a life of their own.

Local Plan Review: Options Consultation

The Council adopted its Development Management Local Plan (LP3) in October 2013. This plan is included in the options consultation without modification, but pages 102-107 explain where amendments or new policies are being considered.

Do you have anything to say about the amendments or new policies being considered, or comments about the existing adopted policies included within the consultation document?

No.
