We received our local enlightener for march 14. Which states mid devon district council are currently holding a review on proposed sites in Coplestone. May I remind you that this is a village not a town. This is land running along side Fernworthy gardens and park. Bewsley hill, Duling Meadows, Sunnymead and beyond. Coplestone has had 59.6% increase in build with in the past few years. Our school is full and a lovely School, we have one small shop, one pub, the roads could not take any more traffic. I live in fernworthy park, my back garden faces one of the field, I will not want people looking in my house, all the Residents, are very very very angry, we will not allow this to happen, you can not in fring on our privacy. I love my house and so do all my neighbours. We will not allow this to happen. We will all be attending the meeting at the parrish council meeting on tuesday 4th March. Also it states we only have until the 24th March to respond. This is terrible, just afew weeks. Leave our Village, as a Village, there are lots of other fields to build on with out infringing on our privacy. I will not have anyone looking in on my house. From Mrs Linda Collins 29 FERNWORTHY PARK COPPLESTONE CREDITION EX17 5LX. (OUR SCHOOL HAS NO ROOM ) LEAVE COPPLESTONE AS THE LOVELY VILLAGE THAT IT IS! .
