Subject: Housing Land Available SILVERTON

Dear Sir or Madam.

I strongly object to any more housing development in the pictures village of Silvertown.

I have lived here all my life.

1. The village can't cope with the amount of traffic and parking problems at the present time with out adding more problems, Applemead and Silverdale has become a rat run for very large tractors and farm machinery unable to negotiate Fore street and High street.
2. The school would not be able to cope with the extra intake of children with out the cost of additional building.
3. The Health centre (Wyndham House Surgery) would have additional problems forced on them due to an increase in numbers.

. I Object to the idea of building house on allotment land that is used for purpose of villagers and recreational.

Your Sincerely,
Mr A.J.Campbell
