PLANNING REVIEW

RE FIELD OPPOSITE THE HOUSE NAMED 'SHUTE'
BICKLEIGH, TIVERTON, EX16 8RH

Dear Sir / Madam

My wife and I object to any development on this field for the following reasons.

- (1) Bickleigh is a Conservation area
- (2) Bickleigh is an area of outstanding natural beauty
- (3) a wild life sanctuary.

There is a large rookery, the rooks feed on the field.

There is a rabbit warren the rabbits feed on the field.

Our cottage is just across a twelve feet lane from this field and we have grass minks, stoat worms (snails and slugs) and squirrels.

Bickleigh is a well known tourist attraction, any development which affects its appeal will impact on the businesses of Bickleigh and to a lesser extent Tiverton.

Yours faithfully
