Having attended the Local Plan Review open meeting in the Hemyock Parish Hall, I feel I must make my concerns known.

I believe there should be **no more development** for the Hemyock area for the life of the existing Local Plan for the following reasons.

1. Traffic - We already have problems getting in and out of the village due to the narrow local roads. Station Road is difficult to negotiate at times. The ever increasing volume of traffic going to the industrial estate at Dunkeswell aggravates the problem.
2. School - The local school is already running at maximum capacity.
3. Doctor's Surgery - The Blackdown Practice would not be able to cope with any further increase in patients.

Please consider these concerns when finalising any plans for Mid Devon.
