Dear Sir (Madam) 10th March 2014

Local Plan Review

My husband and I wish to protest most strongly to the proposed housing developments concerning Coplestone.

The extra traffic will be stressful & the lack of medical facilities in Surgery & Pharmacy will add to the overcrowding & extra waiting times at the Surgeries in Crediton & Baw.

It is noted that none of these properties will be for the elderly

2

many of whom are no
doubt thinking of moving to
a smaller property. Also take look
of stops will be a further
hurdle to people who do not
own a car.

We trust that you will
ensure the planners take in
these observations.

Yours faithfully
Jay & Edward House
