We deeply oppose the plan to build more houses in Hemyock. Reasons why. 1. School cant take too many more children. 2. The Drs will be unable to take new patients. 3. The sewage is already under pressure, overflows at Longmead, Hemyock. 4. Surface water in Station Road puts more houses at risk of flooding. 5. The road infrastructure cant cope with the amount of traffic at the moment, how do you seriously expect it to cope with more ! 6. Car parking is a real issue in Hemyock. 7. You are going to be using sites that flood regularly. 7. You always want to make villages into towns, you are killing all villages off, WHY !!! Yours Faithfully. P.Clarke & D.Whittaker 46 Prowses, Hemyock.
