Act 6

8 Bowdens Lane

EX16 9DQ.

RECEIVED

19 MAR 2014

My objections to the proposed site for 51 Houses on Bowdens Lane are as follows

Bowdens Lane would be unable to cater for the extra 1.7 cars per household nor is it suitable for children to walk up to the playground.

The present sewerage could not cope with the extra usage.

T. bus service is totally inadequate. The substation would need to be upgraded.

The pressure on the Doctors Surgery would be enormous.

and there is no room at the school.
