Local Plan Review Forum Planning,
MDDC.

Dear Sir,

Re Proposed development at Coppetone.

I wish to register my objection to the proposed development of land at back of Dulings meadow and Fenworthy Gardens. (118 houses)

My grounds for objection are:-

- ① The road system in the village struggles to cope with existing traffic - the pavementless section at the bottom of Bawby Hill where it joins the A377 is already very dangerous
- ② The existing school is already over-subscribed.
- ③ The character and ethos of the village would be threatened by such a sudden and large increase of housing. The community has not yet settled after the last increase.

Yours faithfully,

The Rev^d KENNETH S.J. HEXT
