Subject: Cheriton Fitzpaine Local Plan Review

I agree that Cheriton Fitzpaine needs some development perhaps 20/30 houses suitable for young people with families. I think the glebe land is unsuitable for development, because of the wet plain. It was suggested that it would be good for the village if it became a Green site field.

Between Barnshill and the school seems a good plot of land to fill in.

Field other side of the school also a good plot

I think Landboat could also house and small development.

Thank you for reading this

Subject: Local Plan Review (CHERITON FITZPAINE)

From: Mrs P. J. Thomas 2 Cherry Close, Cheriton Fitzpaine EX17 4HY

I feel that Cheriton Fitzpaine needs some small development in the next few years, especially for young people to buy (starter homes etc). I think the Glebe land is unsuitable because of the steepness of the field and it's on a wet plain. It would be nice if this could become Green space field.

Perhaps infill between Barnshill and the school would make the village look neat.

The field opposite whitecross would make sense to put a small development there, It would give people pavements and light to walk to the village.

Again a small development on Landboat land would be acceptable. I think Cheriton Fitz. needs no more houses than perhaps 20, 30 at the most.

I do hope MDDC will listen to the parishioners of Cheriton Fitz.

Thank you for reading this

Pauline Thomas.
