Dear Mr Williams,

RE DEVELOPMENT SITE AT OAKFORD.

I attended an open meeting on the 18<sup>th</sup> February at Oakford village hall regarding the possible development of houses in Oakford. The meeting was well attended with 39 people present. Of those 39 people 33 were against and 5 non committal. Please take into account the views of the majority of villagers when deciding on this development we do not want extra houses there is no need or want of it. We have no shop, bus service and as of quite recently a number of people have moved out because of the distances they have to travel to work and to be on a bus route. We would have more noise, light pollution and disruption to our village. Please think of the people that live here and not the developers who can just walk away from the upheaval they cause.

Yours sincerely
