Dear Sirs,

RE: Proposed Homes for Hemyock

I am writing to view my objections to the proposed building of up to 195 homes in Hemyock under the new planning review.

The village has had more than its share of development over the past few years, despite it being in an area of Outstanding Natural Beauty.

There is no infrastructure to accommodate more developments. The roads cannot cope with the volume of traffic as it is. Station Road is congested with parked cars and you cannot get up at down it. Pencross Hill needs a passing place. The school, the Doctors Surgery and the sewers are now at breaking point. Employment is overlooked.

Not only that, the proposed developments are on existing flood plains. We have enough flooding issues as it is.

Your:

Jacquie Redwood

NO more house development in Hemyock as it is: flooding is extensive, CO2 emission, etc. etc.
