Subject: Local Plan Review - Parish of Burlescombe

From: P J Walter

Re. Churchyard Field, Burlescombe.

Any development, housing or other, would, in my view, be detrimental.

A previous proposal for housing development on this site was withdrawn following strong local opposition on the grounds of visual impact.

St Mary's Church, standing as it does high above the valley and visible across almost the entire Parish of Burlescombe, establishes a landscape pattern which deserves to be preserved. A development which damages this landscape must be resisted whether the site is within or without the Settlement Limit.
