Phoenix House

1) Twerbon.

Dear Sir / Madam.

re Twerbon Eastern Urban Extension.

We understand that at a recent Council meeting, consideration was given to a scheme involving a probable increase in the volume of traffic along Blundells Rd.

Will you please note our objection to any scheme likely to involve a 'rat run' along Tidcombe Lane, a narrow road with no footpaths & already hazardous.

Yours faithfully,

B. A. Spratt
