16TH MARCH 2014

Dear Sir,

Allocation of 5 sites for housing at Silvertown

I feel very strongly that any development outside the village limits is a bad thing. Any move to develop on greenfield land should be resisted by planning authorities to prevent a regressive trend.

The least damaging option would be Option 2B for development near junction 28 at Collumpton and has the support of Collumpton Town Council.

Yours faithfully

(A J BUTT)
