Dear Sir or Madam,

I am along with many residents in Uffculme, are totally against the proposed Project at Junction 27 from Uffculme to Willand. I say No to this Development. Why must the intention of the Council be to destroy our Rural Area. When surely they ought to have its protection at Heart. ^{as} SUE B 3181 itself is sadly in urgent need of Repair. and has large volumes of ^{of} Traffic. This development would certainly overload the existing Road. and downgrade the existing Community. I say definitely No!! to this

Scheme.

Yours Sincerely

B. ROUTLEDGE
