Subject: Objection to Copplestone Local Plan Review

from : Emma Mitchell & Nichols Manns, Victoria Ctg, Copplestone, EX17 5NG

To Whom It May Concern.

We wish to object to the current proposed development sites around Copplestone to build 216 new houses.

We feel that the village has expanded sufficiently in recent times (59.6%). We also feel that the infrastructure and amenities of the village are struggling to cope with the increased population since this expansion. We are am aware that the school is full to capacity. We have regular traffic jams outside our house with morning rush hours / school run chaos.

We wish to add our names to the list of people who are objecting to these proposals.

Regards
Emma Mitchell & Nicholas Manns
